Be Bear Wise

Garbage is the number one reason bears are drawn onto properties, followed closely by bird seed, suet and nectar. Tips to help avoid these unwanted visitors:

- Only put out curbside garbage on garbage day, not the night before.
- Keep meat scraps in the freezer until garbage day.
- Remove grease and food residue from BBQ grills, including the grease trap, after each use.
- Do not put meat, fish or sweet food (including fruit) in your composter.
- Encourage your neighbors to practice Bear Wise habits.
- If you rent your property, tell your tenants the importance of being Bear Wise.

Visit ontario.ca/bearwise for more information on bears.

If you would like to report a bear problem, please call Robert Trick, Animal Control Officer 519-525-7402.

In a life-threatening emergency, call 911 or the local police.
